Attending a meeting. Log on instructions for Training

Location: www.softwaregeneration.net

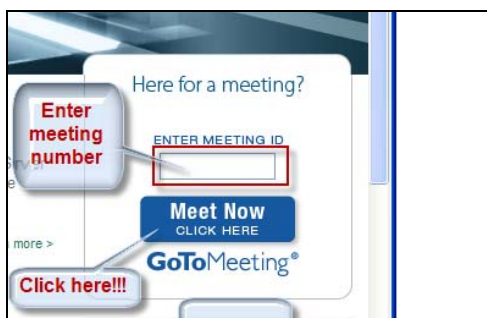

We will post today's meeting number and conference call phone number on the web site. See the yellow area below as an example (it might move but will be easy to find).

Our meetings are hosted on Citrix gotomeeting. To attend a meeting you must have a meeting number. Today's meeting number will be posted on the web site on a meeting page and/or the front page.

Look for the link to "Here for a meeting" and enter Today's meeting number from the screen. Click on the MEET NOW button to submit.
